

# SP20

## SmartPack Automatic Compacting Receptacle

The SmartPack Receptacle is the Ideal Solution For:

- Hospitals
- Shopping Malls and Food Courts
- Quick Serve Restaurants
- Airports
- Schools
- Colleges
- Employee Cafeterias
- Theme Parks

Similar in size and appearance to traditional waste bins, but at least 10 times more effective for managing waste.

Compare these features of the SP20 with the competition:

- SP20 automatically compacts waste based on customer traffic flow
- Quick payback through savings in labor, waste hauling and liners
- SP20 can easily broadcast messages of your choice to customers
- Adjustable compaction cycle

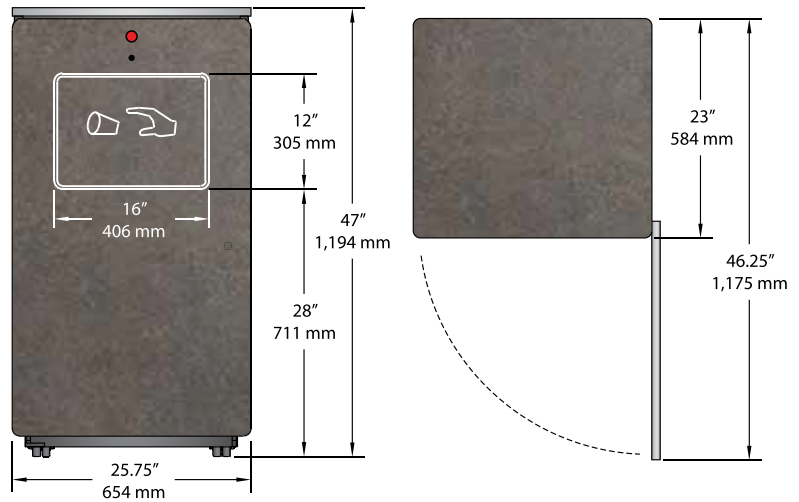

- Save 75% on labor requirements
- Save 50% or more on waste processing
- Save 50% on waste handling
- Save 30% on liners
- Save 25% on receptacles (annualized)
