

Quality in Products and Service

Pictured: Nedland® NSC Compactor and Bramidan® Baler

## PREVENTIVE MAINTENANCE PROGRAM

BATC offers several types of service agreements to ensure the best possible performance of your equipment. We will be there when you call!

**Waste management tools like Balers and Compactors help save money and the planet. Let us help you protect your investment for a lifetime.**

*"Not only has the compactor you recommended cleaned up our trash area, the system has reduced our pickup, improved our diversion rate, and provided over \$5K in monthly savings... Exactly as your analysis showed me when we first met."*

*-Palace Hotel*
