

X10 HD

VERTICAL BALER

BENEFITS

- Safety - Bramidan balers are the safest balers on the market
- Longevity - Many Bramidan balers have been operating daily for over 20 years
- Warranty - 1 year labor, 2 year parts, 3 years on the frame

FEATURES

- Ease of use - All wire and twine is pre-fed while the baler is empty
- Ergonomically superior - No reaching behind the baler
- Quiet - at 60-68 Db you'll hardly hear a Bramidan operate
- Automatic bale ejection
- Indicator lights highlight baler functions
- **Free** data cellular communication

A high-capacity baler with a small footprint and an impressive 22,000 lbs. of press force.

SMART APPROACH

- Text/email sent when baler is full
- Text/email to your recycler after a desired number of bales produced
- Sustainability reporting – track how many bales you produce
- Remote service/troubleshooting
