

# SMART WASTE CANS

TRANSIENT RESISTANT PUBLIC AREA WASTE RECEPTACLES

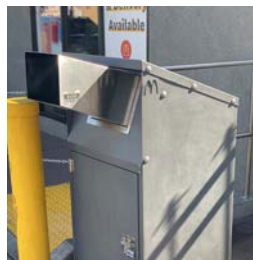

## BENEFITS

- Create waste/recycle/compost stations
- Sturdy steel construction
- Transient resistant
- Load door set up eliminates reaching inside
- Fire resistant
- Sloped top limits gathering
- Critter proof
- Raised unit allows for easy cleaning
- Polyarmor paint is graffiti resistant

## FEATURES

- Personalized logo on unit available
- Inner container on casters for ease of use
- T Handle and Lock secure waste inside
- Can place remote sensors to monitor fullness levels and support route planning
- Manufactured in California limiting shipping costs

Great for Parks, Campuses,  
Shopping Centers, Business  
Districts, Fast Food  
Restaurants, and more.

## SMART APPROACH

- Receive a text or email when Smart Waste Cans are full
- Sustainability reporting – track how many cans are filled
- Remote service/troubleshooting
